Fall is just around the corner and it's time to start sewing again. We are going to kick things off with an **OPEN HOUSE** on Saturday September 8th 2018. Drop by our new location at 61 Capital Drive the former National Music store and see the class samples that will be on display. We will have in store specials that day, so you can save on purchasing your class supplies when you register for one or more of our fall classes.

If a class requires that you purchase a pattern or book, it will be stated in the class description. We offer a 10% discount on supplies used in our classes. In addition, your purchases get added to your Honey Bee Club card. Not a member of the Club, just inquire at the shop and we will get you signed up. Machines are provided for our classes free of charge.

All classes must be paid for at least one week in advance of the start date of class. A paid registration holds your place in the class. If insufficient registrations cause us to cancel the class, your class fee will be refunded. In the event you decide not to attend a class you have registered for, and you do not contact us at least one week prior to the start of a class your registration fee will not be refunded. We also ask that you refrain from wearing scented products due to allergies. We look forward to having some fun with you at Quilting B & More this Fall.
