Winter has arrived in fine style. Our 1st major winter storm is behind us and its time to get sewing. We are going to kick things off with an **OPEN HOUSE** on Saturday September 6th, 2018. All the class samples will be on display for you to admire. We will also have in store specials that day, so you can save on purchasing your class supplies when you register for any of our Winter classes.

We are starting the “**Mystical prisms**” BOM program. We are also offering a **Beginner sewing class** again for those who are interested in learning sewing. More and more people are wanting to learn the skill of sewing so that they can make their own clothing, so this class will get you on your way to creating your own personal garments. Our **Block of the Month Hand Applique** is offered on three different days each month starting on September 7th. Students are continuing to work on the Bunny Hill pattern “**Christmas Mouse**”. This is not a Beginner project, you should have some hand appliqué experience before signing up for this class. **Embroidery Club will continue to meet** on the last Thursday afternoon of each month. This is for all skill levels and is to help you learn how to get the most out of your embroidery machine. The Busy Bees Club is held on the 2nd Tuesday morning of each month; come and see what is new at Quilting B & More, learn a new or old technique and bring your show and share with you, we love to see what other quilters are working on. Our beloved Joyce Doyle will host this club and refreshments will be provided. We have lots more projects on the schedule so drop by on Saturday Sept.6th to see all the beautiful Quilt samples.

If a class requires that you purchase a pattern or book, it will be stated in the class description. We offer a 10% discount on supplies used in our classes. In addition your purchases get added to your Honey Bee Club. Not a member of the Club, just inquire at the shop and we will get you signed up. Machines are provided for our classes free of charge.

All classes must be paid for at least one week in advance of the start date of class. A paid registration holds your place in the class. If insufficient registrations cause us to cancel the class, your class fee will be refunded. In the event you decide not to attend a class you have registered for, and you do not contact us at least one week prior to the start of a class your registration fee will not be refunded. We also ask that you refrain from wearing scented products due to allergies. We look forward to seeing you in class at Quilting B & More this winter.
